+91 7990722814 | kushal.workspace123@gmail.com | Surat, India | [LinkedIn](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Front-End Developer with 2+ years of professional experience building responsive, high-performance web applications using React.js, Next.js, and TypeScript. Skilled in animations (GSAP, Framer Motion, Three.js), modern UI frameworks, and cross-functional collaboration. Actively seeking opportunities with US-based companies to deliver user-centric, production-grade solutions.

TECHNICAL SKILLS

Languages & Libraries: JavaScript, TypeScript, Redux, Zustand, TanStack Query, GSAP, Framer Motion, MUI, Tailwind CSS, Bootstrap, ShadCN

Frameworks & Tools: React.js, Next.js, Vite, Node.js, MongoDB, Supabase, Contentful CMS, Three.js

PROFESSIONAL EXPERIENCE

Front-End JavaScript Developer | [DivTech System](#)

September 2023 – October 2025 | Surat, India

- Built high-performing, responsive web apps (React.js, Next.js) with modern animations and engaging client-facing UI.
- Collaborated with clients to translate business goals into polished interfaces; led code reviews and managed production deployments.

Freelance Front-End Developer | [Self-Employed](#)

November 2025 – Present | Surat, India

- Delivering custom web applications and UI solutions for clients across full project lifecycles from design to deployment.
- Built production projects including Quick Tools Hub, vigyan.ai enhancements, and creative animation showcases.

PROJECTS

vigyan.ai — [Next.js](#) | [Node.js](#) | [MongoDB](#) <https://www.vigyan.ai/>

- AI-powered job search & resume builder with payment-gated downloads. Chrome Extension for one-click job import from LinkedIn, Indeed, and Glassdoor.

Quick Tools Hub — [Next.js](#) | [React.js](#) | [Tailwind CSS](#) <https://quicktoolshub.in/>

- Productivity platform with a suite of quick-access web tools, built with a clean and fully responsive interface.

11 Theory — Agency — [Next.js](#) | [GSAP](#) | [Framer Motion](#) <https://11-theory.vercel.app/>

- Creative agency website with custom animated cursors, smooth scroll transitions, loaders, and project showcases.

VB Lace — [Next.js](#) | [Contentful CMS](#) | [Bootstrap](#) <https://vbplace.in/>

- SEO-optimized product showcase for a lace manufacturer with CMS-driven content management and responsive design.

Deltatre — [Next.js](#) | [MUI](#) | [TanStack Query](#)

- Soccer data platform featuring live scores, match schedules, dynamic leaderboards, and comprehensive league statistics.

Creative / Animation Projects — [Next.js](#) | [Three.js](#) | [GSAP](#) | [Framer Motion](#)

- **Porsche Scroll Animation:** porsche-scroll-animation-showcase.vercel.app | **Butterfly Landing Page:** butterfly-landing-page.vercel.app | **Full Screen Menu:** full-screen-menu-lilac.vercel.app
